U. OF U. AND B.Y.U MEET ON ATHLETIC FIELD

In the sprint at Provo Friday, Brinton of the university, is picked as the winner. Baird of Provo has developed into a fine man, and Brinton will probably have to run in the second heat.

Chamberlain of Provo is considered the mile and half-mile. He will also run the 44-yard run and his chief contender will be Tuttle, who is in good shape. Provo will have a 30-second flat to hammer throw and the shot put will be closely contested.

The pole vault and high jump are uncertain and it is probable that the points will be split again.

The university team has to win the relay but the Provo team has been showing up strong. The hurdles will be contested closely the men on both runs running about the

Pete Sullivan and Cydrene Thompson will make a dash at sailboat in a round the point which has been arranged for a 26-round boxing contest to evade the law. The war which has been waged fully against prizefighting in this city is about to be broken by the coming of a fight which has been arranged under the alias of a sailing contest.

Country dancing at the Elmore, which refused to allow Sullivan and Birdie Thompson to fight here, also has refused to allow the fight to be held at the Elmore. It is this fight. It is a crowd, who says he is going to see the fight, who has secured a special dispensation to carry on fights in Salt Lake county, sheriff's office, and the city of Salt Lake, and will be at the ring with several men, who will be at the ring with several men. Sharp will stop it. His definition of a prizefight, however, has never been given to the public, and the public has no breath to hear his decision.

The fight will be held at the Elmore as reference to the last moment Wednesday afternoon. The men will weigh in at 125 and 135 pounds, and the events will be given. Two special trains will be sent to Salt Lake from the place to see the fight.

Within the next few weeks these seasons will be given the opportunity to size up the relative merits of the eastern and western teams. In the American league the clubs are pretty much bunched together, and another week of play should show that the western teams Detroit has made the showing so far, and many critics think the Tigers will finish fourth behind the Yankees, the Red Sox and Cleveland and is also making a strong case for having the best pitching staff and has wallpated the Tigers several times. In the east it is a toss up between the three clubs—Philadelphia, Boston and New York. The western teams invade the east May 19, and of course the eyes of the fans are centered on Detroit because of the fact that it is the only team to give a good fight for their fourth gonelon. The team is every bit as strong as last year's and it shows no signs of weakening. The pitchers are a whacking good one, and are twirling grand ball. Ed Summers and Wild Bill Donovan and George Stosh are doing well, as well as any other pitcher in the league. The Tigers are bound to find strong opposition in the east when they tackle the New York, Boston and Philadelphia teams. Of the three eastern clubs, Boston is expected to make the warmest for the Tiger players. The Red Sox will be the toughest, but the Red Sox will be the team again they improve greatly. The club is one of the best fielding, base running and batting teams in the league. The Boston-Boston series begins May 14. Catcher Garrison and Harry Lord, the Red Sox are the best of the line of the brainiest players in the game. The Red Sox shows close play at home plate in most of Detroit-Chicago game.

The lineup will be as follows:

**BARNEY OLDFIELD LOWERS
WORLD'S AUTO RECORD**

Cheyenne, Wyo., May 11.—Barney Biddle, driving his 20-horsepower Benz, failed to break a record of 22 seconds from the world's speedway records over the Cheyenne Motor club course today. After one unsuccessful attempt in each event, Biddle drove a mile in 38 flat and a half-mile in 47. The former mile record was 36 and the latter 45.5.

The course is a four-mile circular dirt track, and as the timing was done by electricity and the meet properly sanctioned, the records will stand.

Ben Kerscher, in a Darracq, also attempted to break the mile record, but was unable to better it.

The course was patrolled by 2000 troops

MOTOR BOAT RACES.

New York, May 12.—The Thousand Islands Yacht club, holder of the American powerboat association gold challenge

on the Chippewa Yacht club and last year successfully defended by her, has just set sails for this year's races, which will take place on the club course off Alexander's Bay, Thousand Islands, on August 4 and 5. This contest is one of the most important nautical events of the year, as it typifies the speed supremacy of the United States. The prize is a cup given by the American Powerboat association in 1904.
